Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, D.C.

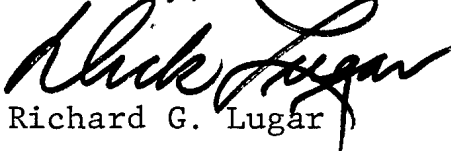

Dear Admiral Turner:

I would like to thank both you and your staff for the hospitality extended David Shaw and myself during our visit on August 24, 1977. The tour and briefings were very informative and productive.

I was deeply impressed by the quality of leadership at the Deputy Director level and by the exciting leadership represented at the luncheon by younger officers. Imagination and loyal dedication are qualities in abundance at CIA.

I welcome your counsel and advice. Please contact David or myself any time I can be of some assistance.

Sincerely,

Richard G. Lugar
